### International Board of Undersea Medicine Statement of Understanding

The undersigned affirms that he/she has completed an approved hyperbaric chamber operations renewal course for all levels of certification, or can document at least 50 hours of clinical experience in a hyperbaric unit and received at least 12 hours of continuing education training in the area of diving and hyperbaric medicine. Physician members must have completed a program of study that equals or exceeds the standards of medical education of the American Medical Association or the American Osteopathic Association. Basic DMT members must maintain current certification as an EMT, RN, RT or PA. Advanced DMT members must maintain current EMT-P, RN, RT or PA certificate that equals or exceeds the objectives of the DOT National Standard EMT-P curriculum or completed an NLN approved Registered Nursing Program. All MD's, DO's, EMT's, EMT-P's and Registered Nurses applying for renewal must attach a copy of all appropriate licenses, certifications, letters of confirmation, and log continuing education programs in the space above.
